

November 2011

Dear Parents/Carers

Year 6 Residential Trip 2011

The time has arrived for us to arrange our residential trip for year 6 pupils. Due to the current economic climate and increasing costs of residential trips, this year we would like to ask for your feedback and opinions on the potential trip. Whilst we understand that money is not so readily available, we still feel it is important for the Year 6 children to experience the adventures and challenges of being away from home, enjoying the activities and working as part of a team in readiness for their transition to secondary schools.

We are currently looking at different venues that may be a more cost effective option. We are also looking at different packages such as possibly 3 days and 2 nights or even just do 2 days only and the children would come home each evening, however, this may depend on transport costs.

As you may appreciate a lot of work goes into organising the year 6 trip and the venues ask us to commit to numbers in advance, so we would initially like to find out from you if you are interested in your son/daughter going on a residential trip and secondly an approximate price you are able to pay. As always we would be offering the opportunity to pay by instalments to suit you.

Please find the time to complete the attached form and return it back to school **by Friday 2 December 2011 at the latest**, as we really want to hear your views on this important decision in your child's school life. If you do not return your form we will presume you are happy with our final decision and that you agree with the price.

Once we know the level of interest we can confirm further details to you.

Yours sincerely

Mrs B Hanks
Head Teacher

Miss A Jaremko
Deputy Head Teacher
