

## TEAM JAREMKO/JURCZAK

### TALK FOR WRITING WORKSHOP

You are invited to join us on  
Thursday 17 November 2011 at  
2.00pm until 3.20pm  
In the Classroom to be inspired

An opportunity to experience  
**WRITING** first hand!!!

We are expecting every child to have a parent/carer to work with them during the session; as there will be follow up activities sent home with all children and they will work on these writing skills during the school day. Therefore it is of utmost importance that we have full parental support for the workshop to be effective for your child.
